Committed Use of Before/After Care, for Regular School Days:

Any day that your child normally is enrolled, you may extend your hours by using the Before and/or After Care service. This is NOT a Drop-In Service!! You will be charged accordingly to the *half-hour* as follows:

<u>Before Care</u>	
Students arriving at 8:00am:	\$6.00 per day
Students arriving at 8:30am:	\$4.00 per day

Front Doors will open at 8:00am sharp and close at 8:35am...at which point you will need to go around the drop off and wait until our normal opening time at 8:45am.

<u>After Care</u>	
Students picked up by 3:30pm	\$4.00 per day
Students picked up by 4:00pm	\$6.00 per day

Students must be picked up by 4:00pm, or you will be assessed a late charge. Due to state regulations, we may not allow children to be in the building outside these operating hours. Thank you for understanding!

*****We will not be able to discount for any late drop-off or early pick-ups.*****
